GESTION ET TECHNOLOGIE AGRICOLES

The GTA is a scientific popularization and environmental journal published in collaboration with the Ministry of Agriculture, Fisheries, and Food of Quebec (MAPAQ).

WHY CHOOSING THE GTA FOR YOUR ADVERTISEMENTS?

- **An essential tool to reach and break into the agricultural market**
GTA is the only independent agricultural media and has been a trusted reference for the community since 1975.

ADVANTAGES FOR ADVERTISERS:

- **Targeted ad placements for a select clientele**
GTA allows you to reach a specialized and engaged audience in the agricultural sector.
- **A loyal and attentive readership**
Our readers are passionate and involved, ensuring effective visibility for your advertising messages.
- **A reference media offering high-quality content**
Take advantage of an advertising space in a journal renowned for the quality of its articles and expertise.
- **A team of publicity agents at your service**
Our professionals are available to help you design and organize your advertising campaigns, whether in print or digital.
